Saturday, June 13, 2015

8:00 AM Included breakfast

8:45 AM Depart for Montreal, Canada

11:00 AM Meet your local guide

Morning visit the Montreal Biodome. Housed in the former Olympic bicycle-racing stadium, the **Montreal Biodome** is home to four distinct ecosystems: a polar environment; a tropical rainforest, a Laurentian forest and the St. Lawrence marine setting. While strolling around the large dome, you will feel the changes in temperature and be kept company by some of the critters that inhabit these environments, including monkeys and capybaras (bats, fish, puffins and penguins are kept behind glass. A visit to the Biodome is a must-do for any nature lover.

1:00 PM Included lunch in Old Montreal.

Once a fortified city, Old Montreal is today a safe and vibrant community of hotels, restaurants, boutiques, rich in 17th & 18th history and charm - truly unique in North America.

In Old Montreal, we will visit the **Point Calliere Museum**, which explores the history of Montreal through archaeological studies and artifacts, and **Notre Dame Basilica**, which was completed in 1829 and has a unique light and sound show that recounts a history of Old Montreal and the church.

You will have time to walk the cobblestone streets and visit the unique shops – and perhaps try using a little of the French language as you visit.

6:00 PM Included dinner

7:30 PM Depart for your hotel.

10:00 PM Private security on duty once again.
